

Lancaster County Conservation District

Agriculture Conservation Technician

The Lancaster County Conservation District is seeking a qualified individual to fill a full time position as an Agriculture Conservation Technician. This position requires excellent organization, communication and technical skills. Attention to detail and the ability to learn quickly is a must. Self motivated applicants are appreciated. The successful applicant will be responsible for contracted and delegated duties under various District programs. Technicians will review nutrient management plans, perform annual on-farm status reviews, evaluate farm operations to determine conservation needs, develop conservation plans to address those conservation needs and then assist operators with the implementation of conservation practices to address the identified conservation needs. Upon employment, candidate will need to agree to a Criminal Record check and PA Child Abuse History Certification.

Minimum qualifications are:

- Bachelor's degree required. A degree in Agronomy, Soil Science, Plant Science, Animal Science or related environmental studies preferred
- Valid drivers license and personal vehicle
- Ability to traverse rough terrain

Entry level salary \$32,000 - \$34,000. Signing bonus and excellent benefit package.

Required Application Information:

- District Application (available at www.lancasterconservation.org)
- Cover Letter
- Resume
- Official College Transcript

The required application information must be received by the District on or before May 18, 2018.

Please send the required application information to:

Christopher Thompson, District Manager
