2. Other - Infiltration of trenches and bioretention

In Kind Contributions - \$359,043.50

Matt gave explanation of work needed to be done to solve current issues. He also explained funding could be done per block rather than entire project.

Concept is for Green Alley

Daryl questions how storm water gets there.

Matt answered - underneath

Frank asked if it would be connecting to existing sewer, Matt - yes

Frank should we use \$300,000 for an experiment. Matt - have used this before.

Matt said LVR could specify funding be used for curb extensions, etc.

City budgeted full amount for project to be completed. They are just looking to supplement.

Chris wants recognition to be given to LVR funding.

V. Discussion and voting on funding

Herb asked what costs would be to approve everything fully but the City of Lancaster?

Matt responded if Earl, Lititz and East Cocalico were approved at 100% it would leave \$133,219.46 for the City of Lancaster.

Herb Kreider motioned for approval of fully requested amounts for Earl Township, Lititz Borough and East Cocalico Township and funding for the City of Lancaster at \$133,219.46. Heather Grove and Jay Snyder approved.

VI. Meeting adjourned 7:10 PM, next meeting will be held September 2018.
