**LANCASTER COUNTY CONSERVATION DISTRICT  
2019 SUMMER INTERNSHIP POSITION  
ANNOUNCEMENT**

The Lancaster County Conservation District is pleased to offer a fixed term summer internship position available from mid-May through early-August 2019. The summer internship position will assist several programs within the Conservation District from Environmental Education to Watershed Protection/Restoration. The majority of the intern's time will be working within two program areas, the Watershed and Education Programs. Potential projects the intern could be involved with, but are not limited to, include local stream fishery surveys, watershed educational activities, stream assessment surveys, water quality monitoring data input/analysis, assisting with the District's Youth Conservation School program, teacher trainer workshops, and GIS database entry work. Interested applicants for the 2019 summer internship position should visit the Lancaster County Conservation District's website ([www.lancasterconservation.org](http://www.lancasterconservation.org)) and fill out a 2019 summer internship application. The deadline for applications is **February 15, 2019**. If you should have any questions or concerns please contact the Conservation District at 717-299-5361 x.5.
