### Item I.2 November 2023 DEP Conservation District Field Rep Talking Points

### **Agriculture 102 Interview Follow-Up**

As a follow up to the Ag. 102 interviews that were held this summer, DEP will be holding meetings for NC and SC on November 6 and NE, SE, NW, and SW on November 20. These meetings are intended for any staff person that does work related to Ag. 102 and district managers.

The purpose of the meetings is to inform participating CCDs of trends identified and currently available guidance and resources and propose and seek feedback on next steps to adequately address Ag. 102 needs and responsibilities.

Attendees present during the interviews this summer should have received an invitation to the meeting in your region. If CCD staff cannot attend the meeting scheduled for their region, they may attend an alternate time. CCD staff that have not received an invitation and think they should have, or cannot attend the meeting scheduled for their region may reach out to Kate Bresaw at kbresaw@pa.gov for assistance.

### Land Application of Manure (Manure Management Manual) Revision Update

Kate Bresaw will be presenting an update on the Manure Management Manual revisions, and what it means for CCD staff and MMP planners during the NM Program Conference Calls on 11/7 and 11/8, DEP regional roundtables in NC on 10/25, and NE on 11/7. Kate may present the topic during additional regional roundtables as they are scheduled, and the topic remains pertinent. CCD staff should plan to attend at least one of these meetings if they have questions regarding the Manure Management Manual revision.

### **Nutrient Management Spreadsheet and Manuals Update**

On September 12<sup>th</sup>, the State Conservation Commission approved Version 9.0 of the Nutrient Management standard planning template, Version 7.0 of the Nutrient Balance Sheet standard planning template, a Record of Change to Version 12 of the Nutrient Management Technical Manual, and a Record of Change to Version 6.0 of the Nutrient Management and Manure Management Administrative Manual. The major change to all of these spreadsheets and manuals is the removal of Total N method of planning and switching to only the N Fractions Method of planning. These spreadsheets and manuals are available for download on the Nutrient Management program webpage. Webinars are planned for November 7<sup>th</sup> and November 8<sup>th</sup> to provide more details and explanations of the changes to the spreadsheet templates, tech manual, and admin manual. Both webinars will cover the same material. SCC/PDA sponsored Continuing Education Credits will be provided.

### NPDES PAG-12 General Permit for Operation of CAFOs has been Published as Final

On September 16, 2023, the Department of Environmental Protection (DEP) published a final, reissued NPDES PAG-12 General Permit for Operation of CAFOs in the *Pennsylvania Bulletin*. The PAG-12 General Permit and supporting documents will be available through DEP's website,

https://www.depgreenport.state.pa.us/elibrary/ (select Permit and Authorization Packages, Clean Water, and PAG-12 General Permit). To maintain coverage under the 2024 General Permit, the permittee must submit the PAG-12 Notice of Intent (NOI) between September 16, 2023 and December 31, 2023 to DEP's Southcentral Regional Office (SCRO).

### **Chapter 102 SOP Training Series**

The next installment of the 102 SOP Training Series will be **Thursday, Nov. 30 from 9 – 11.** This session titled Construction Stormwater-Permit Review for inspections training, this training will briefly discuss reviewing the different types of permits, some basic eligibility requirements and the permit requirements themselves A Teams Meeting notice was sent to those with CWA accounts on Sept. 28.

### **Chapter 105 Bridge and Culvert Maintenance and Repair Tool**

The Chapter 105 Program is excited to announce that we just released a new and innovative online tool on our webpage. This tool, the <a href="maintenance">Bridge & Culvert Maintenance and Repair Tool</a>, is designed to help bridge and culvert owners understand and be informed of permitting and notification requirements for bridge and culvert maintenance under various scenarios, including emergency situations. It does this by asking a series of questions about the proposed work, the condition of the structure, current situation, etc. and includes ample photographs, examples, and links. We are working with our Communications Office on publicizing this tool on social media. The program hopes to utilize this format in the future for additional efforts. If you have ideas on what else this could be used for, please send those to Andy McDonald (<a href="maintenance">annecdonald@pa.gov</a>). Any questions can also be directed to Andy McDonald. Please feel free to share this tool with the public.

### The tool has been posted on 4 of the Chapter 105 webpages:

### **Chapter 102 SOP Training Series**

The next installment of the 102 SOP Training Series will be **Thursday, Nov. 30 from 9 – 11.** This session titled Construction Stormwater-Permit Review for inspections training, this training will briefly discuss reviewing the different types of permits, some basic eligibility requirements and the permit requirements themselves A Teams Meeting notice was sent to those with CWA accounts on Sept. 28.

### **Leadership Development Fall Webinar Series**

The Leadership Development Program has three webinars scheduled as part of its Fall Webinar Series. The sessions will be held from 12:00 – 1:00 on Nov. 15, 29 and Dec 13. Topic include: Financial Issues in Conservation District Management; Tech Roundtable: Website Accessibility and Identifying Gaps in Insurance Coverage. Anyone interested in participating in these webinars can register at the Leadership Development website, <a href="https://www.paleadership.org/">https://www.paleadership.org/</a>

### **2024** Conservation District Director Nominations

Information packets for 2024 Conservation District Director nominations and appointments were sent out to county chief clerks and copies went to district managers. District managers are encouraged to contact chief clerks to discuss the 2024 nomination process and to answer questions regarding upcoming vacancies on their board. Appointments are due to the State Conservation Commission by December 15. Your Conservation District Field Representatives or Barb Buckingham ( <a href="mailto:bbuckingha@pa.gov">bbuckingha@pa.gov</a>) the State Conservation Commission are available to answer questions concerning the director nomination process.

### **Clean Water Academy**

102 and 105 Attachment B on the Clean Water Academy – It is essential that Districts update the Attachment B on the Clean Water Academy for the Chapter 102 and 105 Programs anytime there are staff changes at the district. The 102 and 105 Programs use the Attachment B online forms to enable e
permitting permissions for new staff and to disable them for former staff. The Attachment B can be found under the Data Portal. To update Attachment B, you need to search for your county and then select the Gear icon to edit. You can then change employment status to Former and choose an Employment End Date. This helps DEP to maintain all the data systems we need to maintain and enable. Course: Data Portal (remote-learner.net)

### **Environmental Education Grants Application Round Closes November 15, 2023**

This year's Environmental Education Grants Program Funding Priorities supports projects that address Water and/or Climate Change and engage people living, working and/or going to school within Environmental Justice areas.

#### **2024 Environmental Education Grants Program Manual**, can be found at:

https://www.dep.pa.gov/Citizens/EnvironmentalEducation/Grants/Pages/default.aspx

This includes all required application documents, and other pertinent information.

Applications must be submitted electronically: https://www.esa.dced.state.pa.us/Login.aspx

Questions may be directed to the Environmental Education & Information Center: RA-epEEgrants@pa.gov

#### PA Agricultural Conservation Assistance Program (ACAP)

SCC has developed a webpage on the PDA website where they plan to post ACAP information and webinar recordings. The webpage currently has the ACAP Guidelines, SCC BMP List and a draft ACAP Application. Also posted are past recorded webinars. All ACAP information can be found at: <a href="https://www.agriculture.pa.gov/Plants\_Land\_Water/StateConservationCommission/Pages/default.aspx">https://www.agriculture.pa.gov/Plants\_Land\_Water/StateConservationCommission/Pages/default.aspx</a> and The Center for Agricultural Conservation Assistance Training | Penn State Extension (psu.edu). All ACAP documents are downloadable from the Penn State Extension website.

### **ACAP Financial Tracking Tool and Replenishments**

Financial tracking GIS online tool is on track to be completed and ready for quarterly reporting by end of September. The Program provided an overview for districts during the ACAP Monthly forum on September 20.

Regional ACAP coordinators are beginning to process replenishments for conservation districts as project implementation commences and funds are spent at the local level. The SCC is asking that Districts hold off with replenishments if possible until the new financial GIS quarterly report system is available for use by the districts.

ACAP Administrative Training - The ACAP Administration Training is highly recommended for Conservation District employees who administrate the ACAP program at the county level. This is a recurring training that will take place regionally across Pennsylvania. This full-day workshop will cover all aspects of administering ACAP. The training will include understanding ACAP guidelines, policies & forms, handling of ACAP funds, administering ACAP projects, and record keeping. This training is recommended for conservation staff involved with ACAP administration, CDFRs, local advisory board or district board members. All conservation districts administering ACAP are highly encouraged to have someone attend an administrative training.

Four trainings are currently scheduled:

November 16: State College November 21: Telford November 30: Montrose

December 5: Carlisle December 13: Mercer

### **Chesapeake Bay Program**

**CAP Implementation and Coordinator Grant** – This current round of CAP Implementation and Coordinator funding opened of September 29<sup>th</sup> and will close on October 31<sup>st</sup>. Once the grant is closed DEP staff will begin application review. County partners should except to hear about awarded funding amounts in December.

#### **Upcoming CAP Deadlines** –

- Final BMP entry forms must be submitted by October 31
- CAP Applications must be submitted by October 31
- Final Milestone Updates, Annual Progress, and Narratives (optional) must be submitted by December 1st

### **Sunshine Act Details (continued):**

- What legal remedies are available for violating the Sunshine Act?
  - O The Sunshine Act permits anyone attending a public meeting to object to a perceived violation at any time during the meeting. Additionally, for local agencies, a member of the public can file a complaint with the local Court of Common Pleas.
  - o Any complaint must be filed within 30 days of the public meeting in which the alleged infraction occurred.
  - o If the infraction occurred during a closed meeting, the complaint must be filled within 30 days of the discovery of the infraction, as long as it is no longer than one year from when the meeting was held.
  - o The person alleging the infraction bears the burden of proof.
- Are there penalties for violating the Sunshine Act?
  - O Yes. In addition to being assessed attorneys' fees, any member of an agency who is found to have willfully violated the act can face criminal charges and subject to fines of \$100 to \$1,000 for the first offense, and \$500 to \$2,000 for the second offense.
  - o Any fine must be paid personally; an agency cannot pay the fine.
  - o A court can also award attorney fees to the prevailing party if the court determines that either
    - 1. An agency willfully or with wanton disregard violated the Sunshine Act, or
    - 2. The legal challenge was of frivolous nature or was brought with no substantial justification.

# 2023 MEMORANDUM OF UNDERSTANDING Between the Lancaster County Conservation District and Chester/York County Conservation District

#### STATEMENT OF PURPOSE

To minimize the appearance of a conflict of interest, this Memorandum has been prepared to identify the roles and responsibilities of the Chester/York County Conservation District (\_\_CCD) and Lancaster County Conservation District (LCCD) when assistance is needed to complete the Chapter 102 delegated responsibilities for reviewing plans designed inhouse by district staff.

This MOU will be effective from **DATE** and remain in place through **DATE**.

#### Definition:

- Partnering County Conservation District (P-CCD) The Conservation District Providing the delegated services.
- Submitting County Conservation District (S-CCD) The Conservation District requesting the services.
- I. In carrying out the intent of this memorandum, the Partnering County Conservation District (P-CCD) shall as requested:
  - A. Attend pre-application meetings for future Erosion & Sediment Plans (E&S)/NPDES permit submission and potential future permit application(s).
  - B. Conduct an administrative completeness review of the Notice of Intent (NOI) as submitted for NPDES Permit coverage and contact the submitting entity in regards to completeness or failure to meet and/or exceed the standard of administratively complete. Email comments to facilitate the communication with the S-CCD.
  - C. Provide a technical review of the E&S Plan / NPDES Permit and communicate the result of the review to the S-CCD (this will include all submission for review, first, second and all subsequent reviews). Email comments and/or approval to S-CCD.
  - D. Respond to site specific questions in reference to E&S plan development and required permitting as posed by S-CCD.
  - E. Will meet the prescribed timelines in accordance with the Chapter 102 delegation agreements with PADEP.

- F. Review Notice of Termination (NOT) forms and conduct inspections as required to terminate any issued NPDES permit.
- G. The submitting District will pay the Partnering District's standard review fee as well as pay for mileage (\$0.65/mile), for any site inspections required.

### II. In carrying out the intent of this Memorandum, the Partnering County Conservation District (P-CCD) shall:

- A. Log all new incoming Erosion & Sediment Control Plans and NPDES permits into the Practice Keeper Database and ICIS Database.
- B. Maintain appropriate office filing and data collection and retrieval systems.
- C. Answer review fee questions relevant to P-CCD Review Fee Schedule.
- D. Forward via US Postal or Electronic Mail, comments received from Submitting District to Partnering District.
- E. Issue permits, assign permit numbers and correspond with applicant as per final E&S and/or permit approval.
- F. The Partnering District will submit a request for reimbursement to the S-CCD on or before the 15<sup>th</sup> of the month for the previous month's associated travel expenses.

# III. This Memorandum of Understanding shall become effective on the date specified and remain in place until terminated and agreed upon by both parties. The Partnering Districts agree to the following:

- 1. Anyone may opt out of this MOU for any reason with a 30-day advance notice.
- 2. The Partnering Districts agree to hold each District harmless,
- 3. The Submitting District will retain ultimate responsibility for actions taken under this MOU and delegation agreement.

### IV. PA Department of Environmental Protection will:

Provide sufficient staff to assist Partnering Conservation District as deemed necessary or required to fulfill the obligations of the Chapter 102 Delegation Agreement. Additionally, DEP will assume all other program responsibilities identified in this MOU and in accordance with the executed Delegation Agreements.
