

Lancaster County Conservation District

Resource Conservationist

The mission of the Lancaster County Conservation District (LCCD) is to promote the stewardship of natural resources for Lancaster County and beyond. LCCD is looking for a Resource Conservationist to join its Erosion & Sedimentation (E&S) Team. This individual will join the E&S Team in implementing the Chapter 102 regulatory program that aims to protect the waters of Lancaster County from the harmful effects of accelerated erosion, sedimentation, and stormwater runoff.

Job responsibilities include:

- Review Erosion & Sediment Control Plans and Post-Construction Stormwater Management Plans
- Process National Pollutant Discharge Elimination System (NPDES) permits associated with construction activities
- Conduct project site inspections and generate associated reports
- Investigate delegated complaints
- Effectively communicate with the public, permittees, plan designers, and cooperating agencies

Required Qualifications:

- Bachelor's Degree in environmental science, geology, hydrology, earth science, natural resource management, conservation, engineering, construction management, or a related field preferred. Applicants possessing an equivalent combination of education & experience will be considered.
- Ability to apply basic algebra and geometry to plan and permit reviews
- High integrity in professional judgements and determinations
- Strong written and verbal communication skills
- Valid driver's license and personal vehicle
- Ability to traverse rough terrain

Preferred Qualifications

- Experience in the design, construction, review or inspection of erosion & sediment control or stormwater management practices
- Working knowledge of land development processes and local governments
- Expertise in generating review letters and inspection reports
- Experience interpreting site surveys, plan drawings, and maps

Salary & Benefits

- \$47,500 - \$50,000 commensurate with experience
- \$2,400 signing bonus
- Excellent benefits package (including retirement plan, flexible work schedule options, and healthcare for a family)

Required Application Information:

- District Application (available at <https://lancasterconservation.org/employment/>)
- Cover Letter
- Resume
- College Transcript (official or unofficial transcript accepted)
- Three (3) professional references

Submit application materials via email to:

hr@lancasterconservation.org

or via mail to:
